10. Executive Session

- Applicants for NCA Membership
- Health & Longevity Committee
- Judges Education Committee
- Newf Tide Policy Committee
- TOD/TODD Award Committee

11. Unfinished Business

- Discussion Item: Donation of a “brick” to the walkway at the Lewis and Clark statue in St. Charles, MO (Sue Marino)
- Discussion Item: Whether to reduce NCA dues for the coming 2009/2010 fiscal year, in light of current economic difficulties and our financial soundness. (Jacqueline Brellochs)
- Motion: In the absence of substantive input from the committees to which it was referred, I move that the Board proceed immediately to implement the Breed Steward program as originally proposed. The committee will be staffed with those who volunteered when it was originally announced. (Mary Lou Roberts)

12. New Business

- Motion: That the steering committee be charged with the task of performing an in-depth study of the likely consequences of the current economic problems. The committee should use whatever resources they have to approach the problem, including, but not limited to, investigation of what other parent clubs are doing to deal with the problem. Further, that the committee be charged with making recommendations for actions the board might take to reduce the effects of the downturn on NCA operations. (Kevin Gallagher)
- Motion: That the NCA supply one “pulse smartpen” to each Recording Secretary, upon request. (Pat Randall)

- Motion: That the NCA adopt an appropriate designation to indicate dogs that have their DNA stored in the CHIC (OFA) database. A possible designation would be "D." (Maredith Reggie)

13. Adjournment

14. FYI
