- Motion: That the NCA make a donation to “Take the Lead”. (Patti McDowell)
- Motion: That a specialty or supported entry sweepstakes judge shall be approved for up to two shows within a calendar year, providing they are not in the same geographic section (roughly Northeast, Southeast, North Central, South Central, California, Northwest) (Jacqueline Brellochs)
- Motion: That the NCA contact former club members from the last five years and encourage them to rejoin without the initiation fee and without receiving again the educational material and *Newf Tide*’s sent new applicants (remind them much can be downloaded from our website) (Jacqueline Brellochs)

- Motion: That the *Specialty Guide* be amended to set dates for NCA members reserving host hotel rooms, grooming space and reserved parking two weeks earlier than for non members. (Jacqueline Brellochs)

- Motion: All committees are reminded committee discussions should only be distributed outside the committee by a majority agreement of the committee. Any unauthorized distribution of committee correspondence is grounds for immediate removal from the committee. (Kathy McIver)

Rationale: To encourage committee discussion, committee members should be able to talk freely. Sharing discussion outside the committee can negatively affect the work of the committee and impact the committee's ability to work as a team.
