

NEWFOUNDLAND CLUB OF AMERICA, INC.

2009 BEEDER'S LIST

Why YOU should be on the List!

To better inform Newfoundland puppy buyers about our breed, the NCA Board is continuing its campaign to increase membership on the *Breeders' List*. This list is a valuable link between buyers and knowledgeable NCA member-breeders. Our goal is to have every NCA member who meets these qualifications sign up to help meet this tremendous need.

By helping to educate puppy buyers about what they should expect and insist upon when buying a puppy, we can hopefully raise the standard of health of all Newfoundlands. When informed buyers refuse to purchase a puppy without screening by a cardiologist or health clearances on parents, owners of unsound breeding stock hopefully will be forced by consumer demand to breed and produce healthier Newfoundlands. Every educated puppy buyer armed with knowledge, who refuses to subscribe to poor breeding practices, helps to improve the health of the breed, as well as potentially preventing dogs from entering the rescue system.

The deadline is April 15, 2009.
