

NCA Newfoundland Health Challenge Doppler Examination Rebate Program

The Newfoundland Health Challenge is offering a Doppler Rebate to encourage our breeders to use this gold standard of heart evaluations for breeding stock. The Doppler Rebate Program is for all breeding Newfoundlands owned by NCA members.

A \$100 rebate will be issued upon receipt of the signed cardiologist report. (A \$50.00 rebate will be issued upon receipt of the signed cardiologist report from a Doppler clinic held at a National Specialty, since they are already discounted significantly.)

Name of Owners (must be NCA Members): _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ eMail: _____

Registered Name of Dog: _____

(dogs must be between the ages of 12 months and 7 years old and intact to qualify for the rebate program)
