

# Newfoundland Club of America - Water Test Evaluation - Exhibitor

Dear Water Test Exhibitor,

In the interest of promoting quality water tests and providing feedback to the host clubs, the NCA Working Dog Committee would appreciate your input. Please indicate the extent of your agreement with the following statements about important aspects of this test and to offer specific comments and suggestions when appropriate. The topics include the test site, test organization, judges, stewards, and test committee. Here are some points you may wish to consider when evaluating this test:

### Test Site

Types of facilities offered, safety, comfort, adequate space, natural obstacles utilized, weather effects, shade, terrain, footing, spectator viewing, area for dogs when not being tested, restrooms, drinking water, accessibility.

### Test Organization

Test ran smoothly and on time. Premium List and entry acknowledgement contained necessary information, including directions to the site, accommodations, meals, and schedule of activities. Entrants were notified in a timely fashion. The test site was well marked, and required equipment was available.

### Judges

Pleasant, professional, organized, impartial. Knowledgeable of the test rules and equipment. Able to handle problems if they arose. Answered questions. Clarified intent in "grey areas". Put exhibitors at ease. Able to adapt to site conditions. Worked well together.

### Stewards

Knowledgeable, efficient, consistent, well trained. Sufficient number of stewards available to help the test run smoothly. Responded to judges' suggestions. Performed to the best of their ability.

### Test Committee

Organized, friendly, helpful, hospitable, available/visible. Able to provide needed information upon request. Understood rules and procedures. Had required paperwork available and completed, as much as possible, in advance. Helped to keep the test moving along.
